Dashboard Login Page and Signup Page for Website

Login Page:

A login form UI mockup centered on a solid orange background. The form itself is a light yellow rectangle with rounded corners and a subtle drop shadow. At the top of the form, the text "Login Form" is displayed in a bold, black, sans-serif font. Below this title is a horizontal container with two buttons: "Login" on the left and "Signup" on the right. The "Login" button is orange with white text, while the "Signup" button is light yellow with black text. Underneath these buttons are two white input fields with rounded corners. The first field is labeled "Email Address" in a light gray font, and the second field is labeled "Password" in the same font. Below the password field, the text "Forgot password?" is written in a smaller, orange font. At the bottom of the form is a large orange button with the word "Login" in white text. Finally, at the very bottom of the form, the text "Not a member? Signup now" is displayed, with "Signup now" in orange and "Not a member?" in black.
